Signature: Firma:	Date: Fecha:		

By signing this form, the owner or owner's agent and the tenant grant the contractor permission to enter the dwelling unit and to perform or install weatherization measures, minor home repair, and/or rehabilitation including but not limited to repair or replacement of doors and windows, caulking, door thresholds, water heater blankets and pipe wrap, insulation, setback thermostat, carbon monoxide detectors, mechanical ventilation, repair or replacement of inefficient or unsafe gas appliances (furnaces/stoves/water heaters), and additional measures to prevent the loss of heat and reduce the amount of energy consumption to the above-described unit, and agree to the following:

- The owner or owner's agent shall not raise the rent of the unit or evict the unit's resident because of the increased value of the unit due solely to weatherization measures, minor home repair, and/or rehabilitation provided by the contractor.
- The owner or owner's agent and the tenant shall retain all applied measures in the residence where installed.
- The tenant authorizes the contractor access to utility company records to obtain only energy usage data for a period of one year before and one year after weatherization measures, minor home repair, and/or rehabilitation are completed.

The contractor agrees to the following:

- Shall be responsible for the cost of weatherization measures, minor home repair, and/or rehabilitation performed.
- Shall ensure that the agency is insured and shall be responsible for damage to unit premises, furnishing, and/or resident(s) that is caused by weatherization activities, minor home repair, and/or rehabilitation.
- Shall schedule weatherization services, minor home repair, and/or rehabilitation at the convenience of all parties.
- Shall provide weatherization services, minor home repair, and/or rehabilitation only to tenants eligible under program requirements.
- Shall assure that the owner, or owner's agent, and tenant data shall be maintained in a confidential manner to assure compliance with the Information Practices Act of 1977, as amended, and the Federal Privacy Act of 1974, as amended.
